Date _____

Parents must provide a certified copy of the child's birth certificate when enrolling for the first time. The original certificate will be returned to the parents in 24 hours. If the child's birth certificate is not provided within a 30 day time frame, it is required by law for me to notify the Illinois State Police or local law enforcement.

If for any reason this happens, I will give you a written statement which is required by DCFS. This document states that I have contacted the Police and you have 10 additional days to produce the Birth certificate.
